

# Beautiful Day

*Joyfully* ♩ = 108-116

1. What a beau - ti - ful day The Lord has made,  
2. What a glo - ri - ous life! A dai - ly gift  
3. Sons and daugh - ters of God! Our lives can show

To give us hope and light, To bring re - lief.  
Of free - dom, work, and dreams, To learn of love.  
The i - mage of his face, Our Fa - ther's eyes.

So our be - lief In Christ dis - pels the night.  
And from a - bove The Lord's com - pas - sion streams,  
For he is wise, And has pre - pared this place

Be not a - fraid! His plans are laid: He is the way.  
A cur - rent swift To light - ly lift The weight of grief.  
Where we could grow Un - til we know: Ah! Life is good!
