

On Wings of Love

Exuberantly ♩ = 112-120

1. On wings of love we fly; By light of love we see:
2. Our God is not a - sleep; The heav - ens are not stone:
3. O Mak - er of the earth, O Teach - er of the way,

So cha - ri - ty will sanc - ti - fy And truth will set us free.
The well of love is full and deep And we are not a - lone.
Our Hope and Com - fort from our birth: We love thee and o - bey.

Al - le - lu - ia we sing! Ho - san - na to the Lord!

Con - trite and brok - en hearts we bring, By thee to be re - stored.
